Akshay Jagtap

Data Analyst @ Cisco | MBA in eBusiness Analytics
Bengaluru, Karnataka, India

Summary

Currently working as a Data Analyst at Cisco, leveraging skills in insight generation, Large Language Model Operations (LLMOps), and Large Language Models (LLM). Holds an MBA in eBusiness from Welingkar Institute of Management and a BE in Electrical Engineering from NBN Sinhgad School of Engineering, Pune.

Passionate about utilizing data analytics to deliver actionable insights and practical solutions for business challenges. Dedicated to improving decision-making processes through the effective application of technology and analytics.

Experience

Cisco

Data Analyst

August 2023 - Present (2 years 4 months)

Bengaluru, Karnataka, India

Armorblox

Jr. Data Analyst

January 2022 - August 2023 (1 year 8 months)

Bengaluru, Karnataka, India

Kryptos Technologies

Trainee

November 2021 - December 2021 (2 months)

Chennai, Tamil Nadu, India

Parag Milk Foods

Market Research Intern

May 2019 - June 2019 (2 months)

Bengaluru Area, India

Conducted primary research by collecting data from the Gowardhan distributors, GT and MT stores for Gowardhan sweets and its competitors.

Analyzed market competition, packaging, consumer and trade promotions given by the company and competitors to retailers and consumers. Used data analytics techniques in SPSS tool to gain insights from data collected. Provided recommendations for packaging, promotional activities, retailers discount and consumer promotions by conducting hypothesis testing.
